## UPDATED: MASK POLICY

Written by: Rev. Tracy Siegman

Due to the rising positivity rate, the Elders have made the following changes to the mask policy. Wearing a mask is strongly recommended when walking around, going to your seat or visiting with others. Wearing a mask is encouraged but optional while seated.

Effective 5/29/22

### Help stop the spread of Covid-19.

Masks are available as you enter the sanctuary.

## NEW HOMES AND NEW HOPE

Found on: [Week of Compassion Stories](#)

In the fall of 2021, as the government of Afghanistan collapsed and families were rapidly evacuated, Week of Compassion reaffirmed refugee response as an ongoing priority and employed increased resources, including the Afghan Welcome congregational grants, to support local churches. Dozens of congregations, across multiple regions of the Disciples church, have helped Afghan families to establish a new life in an entirely new place under deeply stressful circumstances. Out of the desperation and disconnect of this crisis, opportunity and community have somehow thrived...

As current events suggest a coming wave of Ukrainian refugees, we know that there are already many thousands from many nations currently awaiting resettlement in the U.S. For information on congregational options—getting involved now, connecting with your local resettlement office, preparing for future needs, reconnecting previously experienced churches, and even networking with other congregations to do this work together—contact [Alan Dicken](#), Week of Compassion's Associate Director for Refugee and Immigrant Response. You can also support the ongoing international emergency response, and refugee response needs, by [giving](#) to Week of Compassion.
