May Luncheon Details!

This month our lunch is a DOUBLE CELEBRATION! First, we are coming together to celebrate Randy Gudvangen, our professional organist these past 40 years, and thank him for how he has blessed our congregation each week. Next, we get to wish Randy and his husband, Brett Siereveld, a Happy Anniversary as they celebrate 40 years of marriage!! Wow!!

Join us as we gather for this BIG 40 celebration event on **Sunday, May 18th** following the worship service.

Lunch will be a catered buffet! As such, **please RSVP by May 5th** either by email to westhill.iac.net or by using the sign-up sheet in the back of the sanctuary as you come in for worship.

A Message from the Leadership Council

First Christian Covington congregation,

This requests your participation in two important meetings.

As communicated earlier, the Leadership Council has been discussing the future of our church for several months. During our April 9 Leadership Council call, we formally voted to recommend to the congregation to sell the church building. The financial burden has become too great given our low attendance and thus low offerings.

The final decision to sell or not sell the building rests with the congregation. As such, we will have a discussion session immediately following the **Sunday, May 4** service. Arrangements will be made to allow online participation. This meeting will be for discussion purposes only.

The congregational vote to sell or not sell the building will be held on **Sunday, May 11** immediately following the service. Again, arrangements will be made for online voting for those who can't be there in person.

Importantly, selling the church building and closing the church are TWO DIFFERENT decisions. If the congregation agrees with the Leadership Council to sell the building, we will in the near future engage in discussions about whether or not to continue meeting as a church in a different location, join another congregation, or close the church once the building belongs to the new owner.

If we do put the church on the market for sale, it is of course impossible to predict how long it will take to make the sale. It could be weeks, months or even years. Given this, putting the church on the market would mean LITTLE TO NO immediate change in our worship service, activities and community service efforts.

We hope all of you will participate in both the **May 4** and **May 11** sessions.

— Leadership Council
